Reference: K848/200/90

A cozy duplex penthouse located just two minutes from the center of Encamp; it is an exterior-facing, sunny property featuring a south-facing balcony. The first level comprises an entrance hall, a closed kitchen, a spacious dining area, a bathroom, and a bedroom. The second level includes a room currently set up as an office, a bathroom with a Jacuzzi, a double bedroom, and finally, a master suite featuring a private bathroom and a large walk-in closet. Additionally, the property includes two adjacent parking spaces totaling approximately 28.16 m² and an installed electric vehicle charging point. Parquet flooring is laid throughout the home, with the exception of the kitchen and bathrooms, which feature tiled floors. Renovations have been carried out to replace the entire electrical system, blinds, and windows; the installation of double-glazed windows throughout has significantly improved the apartment's insulation.
